The New York Chapter of the Surface Navy Association is proud to announce its first annual SWO Reserve Networking Night! Join fellow SELRES Surface Warriors for an evening of networking and career mentoring.

Meet other Reserve SWOs, including current and former COs, Surface Reserve Community Executive Committee (SRC EXCOMM) members, and Navy Reserve Policy Board Members and learn about what's going on in the Surface Reserve Community.

Get APPLY and promotion board guidance from fellow SWOs who have successfully navigated the waters.

Hors d'oeuvres will be served and a cash bar will be available.
